*ALL CLASSES THAT BEGIN AT 4:00 PM OR LATER: EXAMS WILL BE SCHEDULED FOR LAST CLASS MEETING

Faculty,

Above you will find the exam schedule with the standard class meeting times shown. There are some classes which will always have their final exams on the last scheduled day of class (i.e., COLL 1100, PHED 1200, and other one-hour practicum classes). If you teach any other class that only meets one day a week (i.e., Monday at 2:45) you should plan to schedule your final exam on the last scheduled day of class.

All professors will give final exams. Exams must be taken at the scheduled time. If a professor desires permission to change an exam time, permission must be granted by their Dean by April 9, 2021. Students who have three exams scheduled the same day may have one exam rescheduled. Students are to ask permission of the professor in one of three classes to change one exam time. Students must submit in writing a request for an exam time change to the appropriate Dean for final approval no later than April 9, 2021. Students needing to change exam times for unavoidable conflicts (such as work), must submit a request in writing for permission from the professor and approval by the appropriate Dean by April 9, 2021. These requests should include signatures of the student, professor, and Dean. Professors may allow students in duplicate sections to take exams with another section. This action is solely at the professor's discretion.

Senior grades are due by 8:00 AM Thursday, April 29. All other grades are due by 8:00 AM Monday, May 3.
